

Carpenter Nature Center's

FROSTY 40

In support of Environmental Education and Habitat Protection

Carpenter Nature Center will be celebrating its 40th Anniversary in 2021 and will be hosting its first **Frosty 40**, a winter challenge to walk, run, snowshoe or cross country ski 40 miles in 40 days. The Frosty 40 is a great way for families and individuals to get outside on their own to get some exercise while supporting a wonderful cause. The \$40 fee (\$20 for K-12 students) will cover participant's registration fee and a t-shirt. All proceeds support environmental education programming and habitat conservation.

Carpenter St. Croix Valley Nature Center provides our community with a safe place for visitors to connect with nature, stellar environmental education programs for schoolchildren and terrific public events. CNC protects over 725 acres of vital wildlife habitat along both sides of the Wild & Scenic St. Croix River. Each year the Nature Center seeks financial and in-kind sponsors to make our events successful fundraisers. Sponsors at the \$100 level and above will be listed on our website, and sponsors at the \$1000 level and above can get their company logo on the t-shirt. Sponsorships at all levels are greatly appreciated and allow us to further our mission of providing environmental education for all ages and abilities.
